

Online Pupil Surveys (for Primary years 5&6 and Secondary years 7 – 13)

Learnership
Today's learning
tomorrow's leadership

Prebuilt, online solutions for
Governors and Head Teachers

Our modern, online approach to pupil surveys, helps you engage with your pupils and demonstrate you're listening - their views are valued and considered.

Ready built, with scope for customisation, user friendly screens are designed for pupils to complete anonymously, with ease and simplicity, within an ICT lesson.

Ready analysed results provide a rich source of current and actionable MI, and a clear understanding of pupils' perceptions of school life.

- *Establishes root cause of school life issues*
- *Optional comparative data on Pupil Premium pupils, identifies whether spend is addressing PP gaps*
- *Tests improvements during transition into Academy status*

Immediately available 'off the shelf' and with no school admin.
